

# Meet with Johnson & Johnson Innovation in France

Virtual partnering event | 26<sup>th</sup> & 27<sup>th</sup> May 2021

Johnson & Johnson Innovation is driven by the desire to positively impact human health through innovation. During this virtual partnering event, representatives from Johnson & Johnson Innovation will provide an overview of how they work side-by-side with innovators and entrepreneurs. This is to generate potential transformational healthcare solutions through partnerships and collaborations.

Following the presentation, the Johnson & Johnson Innovation team will meet one-to-one with selected companies interested in presenting their healthcare solutions and discussing collaboration opportunities.

**Interested companies and researchers must apply by 21<sup>st</sup> April to be considered for a one-to-one meeting.**

## 26<sup>th</sup> May 10:30-12:00 CET

Join an open webinar briefing to hear about Johnson & Johnson Innovation's activities in France, as well as how Johnson & Johnson Innovation can partner with French innovators.

## 26<sup>th</sup> & 27<sup>th</sup> May

Meet the Johnson & Johnson Innovation team. Attendees interested in participating in a one-to-one meeting must apply by **21<sup>st</sup> April**. Selected applicants will be invited for a meeting on 26<sup>th</sup> or 27<sup>th</sup> May.
